## *Gypsy Swing 'Hot Club' Jazz*

Gypsy Mania "Hot Club" Quartet, a Twin Cities-based swing Jazz band, performs a timeless jazz tradition commonly known as Gypsy Jazz, a blend of traditional Roma music and swing jazz. Originating in Paris in the early 1930s, the 'Hot Club' jazz tradition brings back happy memories of the swing jazz era, and for all an opportunity to nod, tap, or hit the dance floor. Their music keeps audience members on the edge (or out) of their chairs due to the band's formidable improvisational prowess, exceptional stylistic dimension and fresh original compositions. – a group not to be missed.

### *Gypsy Mania members*

The ensemble includes the unmistakable mastery of jazz violinist Gary Schulte, plus blinding solos from guitarist Reynold Philipsek, the diverse guitar styling of Glen Helgeson, and tasty, refined bass work from acoustic bassist Matt Senjem.
